ABOUT ME

Hi I am Daniel Newsome, I have been working in Taranaki and Waikato as a dairy farm worker, for dairy farm owners. I attended NPBHS for 3 years, before starting my dairying career. I have played rugby in both provinces for a number of years. I am a private person and like space, I am somewhat athletic and like sports. Rugby Drills/Army Drills My hobbies are running, swimming motor cars. I am hoping to land a job with you to enter the next phase in my career and to reach personal targets and goals. I also like to spend my spare time studying about World War History, War Machinery, Moves, Strategies, Remotilia, Gear & Madails, I have a strong past entwined with the Royal NZ Army ANZAC Cove. I love my join with the army but try to keep military moves out of day to day farming life. I Like Honda, Cat, Grass, Holstein-Friesians, Naming Cows, Skinny Cows, NZ Workforce, I like my space but don't mind if you come to my house in a good mood with a positive attitude. Make a interest in the local fire station if accepted..

Job capabilities

I am very confident in myself and what I can do, I have extensive animal skills and animal husbandry, I have a 11-year history as a dairy farm worker and manager working for farm owners in Taranaki and Waikato. I pride myself on my herd and always put them first. I pass all shed inspections first pop. I can drive all farm machines and bikes and also have the skills to do light services and repairs. My pasture management is top and can keep a handle on the farm with extreme precision. Able to block out the negative and make a positive in most cases. Like building on what I am given. Basically Do Most Jobs & Keep Staff In Line..
