ANY OTHER INFORMATION A PROSPECTIVE OWNER SHOULD KNOW:

Our stable has won three NZ trainers premierships and now trained over 1600 winners

We have three senior experienced people, including my wife Diane and we run a 'family' type operation with three apprentices living with us. Michael drives one of our two horse floats to most meetings which ensures transport costs are kept to a realistic level. We train from both Riccarton Park and our own established property with 18 boxes incl. track on 10 acres.
