BRANCH AGMS

These were all completed within the space of a week in July. There were disappointing turnouts from members at most of the meetings. It is of concern that this may be due to the majority of members simply not caring about being involved in their industry and having a say, or perhaps they don't see the point in attending, or maybe they are happy with the way things are and they don't have any issues of concern! I tend to think it's a combination of the former two, but it was certainly disheartening.

The Otago branch was well represented by 8 members and had a constructive meeting. It gives trainers the opportunity to sit down and discuss both local issues and catch up and contribute views on national issues. Jim Burns was re-elected as the representative for Otago and Terry Kennedy represents the branch on the Programming Committee.

The Southland branch re-elected Sally McKay as their President. It was with a degree of sadness, that the retirement of Mac Henry was accepted. He has been secretary/treasurer for the branch for some 35 plus years and both the branch and the National Association wish to express their gratitude for his enormous contribution. Jo Dalton has taken over the reins as secretary/treasurer. Sally and Robert Dennis will sit on the Programming Committee.

The Canterbury Branch had 5 members at their AGM. Despite the small number, it was a good constructive meeting. Andrew Carston was re-elected President with Vice Presidents, Anna Furlong and Matthew Pitman. Programming Committee representatives include Andrew Carston, Michael Pitman, Anna Furlong and Lance Robinson.

The CD Branch had 9 members attend the AGM. This branch arranges a highly successful annual Golf Tournament that raised over \$4600 earlier in the year. Both Gary Vile as President, and Paul Claridge as secretary/treasurer were re-elected. Programming committee representatives are Gary Vile, Mike Breslin and Matthew Eales.

The Northern Branch managed a quorum of members with a large number of apologies accepted. Andrew Forsman was re-elected President, with Stephen Marsh elected Vice President. The Programming committee representatives include Tony Pike, Stephen Marsh, Andrew Forsman, Jamie Richards and Linda Laing.

FOLLOW-UPS

Feedback from the Branch AGM's revealed a need for the Trainers' Association to assist with following up NZTR where a member may feel they aren't making any progress. In particular there may be a relevant issue they have raised with someone at NZTR and have not had a response. The Trainers' Association hold monthly meetings with NZTR where an "action list" is discussed and would be happy to include this issue on the list. This should ensure a response is forthcoming. Please forward Wendy Cooper any such relevant issues to wendy@nztrainers.co.nz
