To Whom It May Concern,

The Forbach Stables is a riding school based in Mauritius, we have been established since 2009 and teach children and adults to ride. All our horses are Thoroughbreds retired from flat racing. We also stable racehorses and carry out early fitness work before the horses head to the islands training centers.

Vishesh started weekly horse riding lessons at The Forbach Stables in 2015. He progressed well and quickly developed a good seat. He is a confident rider who by late 2016 had progressed from steady school horses to more challenging horses (younger, greener horses, often recently retired from racing). He is a balanced rider in walk, trot and canter. He has participated in club competitions including novice dressage, showjumping (he has jumped up to about 70cm) and mounted games, excelling in bareback classes. He is a good team-worker and is popular with fellow riders.

Vishesh has always expressed a desire to work within the racing industry and train as a jockey. During the past 3 months he has been helping out with our racehorse's. He has been carrying out yard duties such as grooming, mucking out and feeding the horses. He has also been exercising the horses and getting used to riding in racing tack. He has been working under the supervision of myself, my head groom (who has over 30years experience in the racing industry) and my regular work rider. We have all been happy with Vishesh's work.

Vishesh is a committed, polite and self-motivated person. He listens to advice and uses constructive criticism to improve. I truly wish him well and know he will go on to achieve his goals.

Should you require any further information please do not hesitate to contact me.

Yours Sincerely,
