

# Be part of something massive.

PIPI is a small yet mighty cog in a massive machine.

Our mission is to facilitate and nurture partnerships that lead to purpose-filled careers and successful businesses.

**Training, mentorship and support for learners + connecting career-driven Kiwis with employers in NZ's primary industries.**

If you are:

- An employer looking for people
- Ready to begin a great career in our industries

Visit [www.pipi.ac.nz](http://www.pipi.ac.nz) to get started

Pathways into Primary Industries
