## APPRENTICE JOCKEY

### ABOUT ME

My name is Loveen Nastili. I am from Mauritius Island and more precisely from a small village known as Terre Rouge. Since my young age, I have been very passionate about horses and horse riding. This passion was developed while watching horse racing on television and since that moment, I was determined in becoming a very good Jockey. I started my career in August 2020 for 1 whole year at a private Domaine in Verdun.
