Personal Statement

Currently I am looking for work in New Zealand. I use to work at Step it up Horse riding. I am was working with 10 horses and giving riding and therapy lessons to children. I studied my equine Horse care 1 and 2 and Equine behavior at ACS Distance education. I am 26 years old. I am a good rider and I have been around horses from a young age as well as riding from a young age. I am a team player and will work hard to prove myself. I am eager to learn new skills.

Summary of skills and Attributes.

Technical

- I started riding at the age of 4 and competing soon after.
- I groomed and tacked up the horse I was riding from a young age.
- I started mucking out the horse I was ridings stable at the age of 7.
- I started competing in small local showjumping and equitation competitions at the age of 5.
- I can take care of wounds, mix feed and take care of horses accurately.
- I can work with horses on the ground as well as ride.
- I know how to give lessons as well as work with children with special needs.
- Daily horse checks and equipment checks.
- Feeding and grooming of horses. (no mucking off stalls, horses stand in a field.)
- Racking of arena.
- Filling up feeding rings with hay bales twice a week.

Interpersonal

- Daily lessons with special needs students as well as riding lessons and interacting with parents.
- Communicating safety with children around horses as well as coworkers.

Communication.

- My verbal and written communication is excellent, I always make sure to communicate clearly to others to ensure they understand me.

Practical

- I am physically active, healthy, and fit.
- I ride horse every day, pick up feed bags weekly and jog next to horses every afternoon with riding lessons.
