PROFILE

My love for horses started at a very young age. I started riding at a tender age (6 years old) at Domaine Les Pailles. The first horse I've ridden there was Always Flirting. At the age of 12, I started riding at Club Hippique De Maurice and I knew I wanted to be like my idol, Nooresh Juglall. At 15 only, I worked for two monitors at Domaine Les Pailles and February 2022 I joined the JMLS Private Training Center and I was among the firsts to join there.
